REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The closest prior art of record, namely the combination of Ohtake et al. and Douchi, does not teach or render obvious the invention as claimed in claims 13-16 and 19-26. This application is allowed solely for the reasons put forth in the remarks filed December 9, 2004.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
